## WINE MAKER BIO

**Robin & Valerie Coolidge, Wyandotte & Rockside Winery**

Robin and Valerie Coolidge have owned Wyandotte Winery in Columbus, Ohio since 2006, and Rockside Winery and Vineyards in Lancaster, Ohio since 2014. Valerie is the Vineyard Manager while Robin and son Ryan make wine from estate grapes grown at Rockside, and from grapes brought in from around Ohio, the region, the country, and the world. The Coolidge family prides themselves in creating non-intimidating wine experiences where wine can be appreciated without pressure to like something just because someone says you should.

This is the fourth river cruise, and fifth European trip hosted by Robin and Valerie and the wineries. Past trips have visited wonderful places including well known cities like Paris and Budapest, but also small, more out of the way villages and towns throughout Europe. Along the way we have learned about and enjoyed wine from some of the most famous wine producing regions in the world.

Valerie and Robin invite you to join our group on our next great adventure as we sail along the Rhine River. We will pass through some very well-known French and German wine regions visiting exciting ports, wineries, and enjoying wine from all over the region.
